to ensure our schools operate in the safest ways possible during the COVID-19 environment. Please see full details here https://education.nsw.gov.au/covid-19/advice-for-families#School1

At school we will continue to operate as we have in Term 3 with the lifting of some restrictions.

- Children who are unwell must not be sent to school. Children with flu-like symptoms must be tested for COVID and provide a copy of the results to the school before the child returns
- Children who have seasonal allergic rhinitis or another condition that presents similarly to the flu may have their child assessed by a medical practitioner who may notify the school in writing that a COVID test is not required
- Schools will continue to promote safe hygiene practices including not sharing drinks or food and regular handwashing
- Some activities may commence for term 4 with restrictions and COVID safety plans. These include band, singing, interschool activities, excursions, kindy orientation and year 7 transition to high school
- Parents and carers and non-essential visitors are not allowed on the school site unless volunteering for educational purposes
- School assemblies are still limited to 15 minutes with no external visitors
- SRE/SEE can occur with restrictions
- P&C meetings and events must be on-line only
- Parent teacher meetings will be on-line or by phone unless involving serious matters that require face to face discussion
- Year 6 end of year activities and graduation may be planned in a COVID safe way

School News

The Online Enrolment System is designed to provide flexibility for parents to submit an enrolment application online. The application can be accessed on all browsers and mobile devices including iOS and Android via the school website.

The online application process is currently restricted to:

- Enrolments into **local** schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW

We encourage parents to complete the application to enrol online. If, however, parents do not feel comfortable completing an application online, a paper copy will be available for collection from the office or can be downloaded from the school website.
