Year 6 farewell speech from our school captains, Roman and Elodie

7 years ago, we walked through the gates of FFPS for the first time, we all felt like year 6 was so long away. But here we are today graduating from primary school and the time has flown by. Since then, we've had so many fun and enjoyable memories. We've made lots of new friends and have learnt a lot.

Over the years we've had so many different opportunities to learn and grow, from playing in the band, to joining PSSA sport teams. From taking part in enrichments to participating in dance and singing in the choir. Our school has provided so much for us.

We have had some amazing sporting achievements throughout our time here, these include people getting to zone and area. And some very talented students getting through to state and nationals. But it is always nice to see everyone have a go.

We have also had some amazing academic achievements, these include the Forest High enrichment program, debating, writing competitions and maths enrichment.

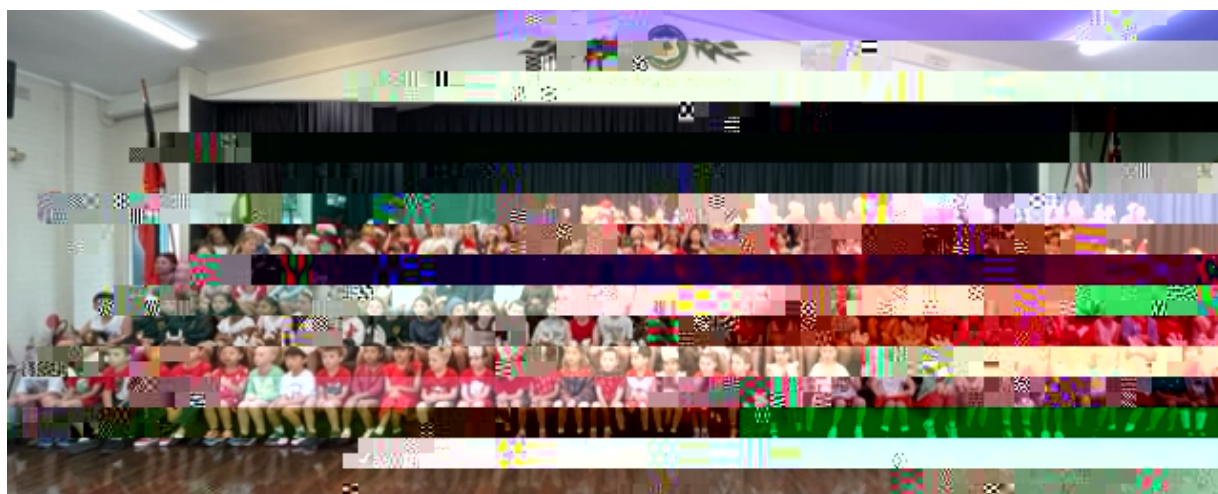

We leave here with some amazing memories of the fun times we've had. Planning a surprise leaving party for Mrs Davies last year was a great memory, as we all worked together to make it a special occasion and despite Mrs Davies pretending she didn't know, she totally knew!

We've gone on camps where we had new experiences like rock climbing, mud running, and orienteering. And we've been on excursions to Taronga Zoo and Kimbriki Tip (it's more fun than it sounds) where we have learned a lot about our community. All of these experiences have
