### **School Office/Libhm**

### Hats

All children are required to wear their hat to and from school. Sunburn and sun damage are real concerns in Australia, and we need to be helping our children understand the importance of sun protection. Children must have a named hat at school every day.

### Grade Parents

We are looking for parents willing to be grade parents for each of our grades, Kindergarten through to Year 6. We would ask that these parents are active or admins on the social WhatsApp group and would be willing to welcome new families to our school (via phone or email). Welcoming new families plays such an important part in helping families navigate school and feel welcome. If you are able to assist, please email me at [gail.margaret.smith@det.nsw.edu.au](mailto:gail.margaret.smith@det.nsw.edu.au).

### Parents visiting school between 9:10am and 3:10pm

**Students with Allergies**

Please note that we have students with severe allergies to nuts at our school. We request students not to bring nuts or nut butters to school. I appreciate parents' support in keeping all our children safe and well.

**Celebrating birthdays at school**

If parents would like to celebrate children's birthday at school, frozos may be pre-ordered from the canteen. Please order two canteen days prior to your required delivery day to ensure adequate lead-time for supply. This means for a Wednesday delivery you need to order by Thursday the week prior and for a Thursday delivery you need to order by the previous Friday.

### **Canteen**

Welcome back. Some information regarding the canteen:

It is great to see the children back at school and we are excited to reopen the canteen from Wednesday 7 February 2024. A reminder our canteen opens Wednesdays, Thursdays and Fridays. We have some exciting special food events planned throughout the year, so keep an eye out for these in the school notes as well as on the P&C Facebook page.

A warm welcome to our new families for 2024. A canteen menu will be sent to all families and along with our Term 1 menu offering, it provides details on how to create an account on our online ordering system, [School 24](#), as well as who to contact if you need assistance.

Our P&C-run canteen is made possible with the help of volunteert tedwellomegeh,
